## CORPORATE RESPONSIBILITY

*Agora of Flavours G.P.* meets the modern European culture with high priority its corporate responsibility.

It is our commitment to contribute to global development, based on economical, ecological and social objectives.

We aim...

to strengthen our global presence and expand in all areas (such as food, sweets etc) providing only high quality products.

to promote products ONLY by Greek producers who respect the environment and use techniques and quality standards that prevent excessive wastage of natural resources.

to increase necessity and promotion of authentic Greek products in foreign markets.

to make all our clients understand the importance, the high quality and the high nutritional value of Greek products.

to our contribution to distinguish more Greek products worldwide.

## OUR PARTNERS

We co-operate with certified suppliers which we have carefully selected in order the raw material of products to constitute excellent quality. Each one of our partners has its own distinguished presentation in the market.

It started on the edge Menikio the cultivation of truffle and raspberry in an area of 60 acres. The company qualifies as "family", which demonstrates the excellent quality of our products. Products not limited to what we collect, but also in processing them in the most natural way. Our goal is to be applied to the purchase of goods separately and to have satisfied customers.

**Certification: ISO 22000:2005, HACCP**

The effort we make –and our philosophy– at Dasokipos is focused on combining the truffle that our land produces with products unique in taste and quality that are carefully selected from all of Greece, without having one overshadow the other, but rather bring out the best in each other with regard to both taste and quality.

**Certification: ISO 22000:2005, HACCP, FDA, BRC**
