# Organic Estate Extra Virgin Olive Oil PDO

**SMART  
FOOD**

Our Estate Organic Extra Virgin Olive Oil exhibits enticing flavours of warm butter with hints of black pepper. During cultivation and olive oil production, everything that comes from the olive tree is returned back to the environment making this a truly organic product.

The olive leaves removed during the processing are fed to local farm animals; the water from washing the olives is returned to the olive groves for irrigation and the pits are used to warm up the water of our olive mill.

**No chemical fertilizers or pesticides are employed making us proud for safeguarding our olive groves and nature.** This organic olive oil is packed in recyclable materials.
